

LOAN HALF OVER TOP; NEW YORK'S PACE QUICKENS

German Helmet and Irish Song Each Nets \$50,000 for Liberty's Cause.

CHILDREN IN CAMPAIGN

Nassau and Queens Quotas Exceeded—Parades, Meetings and Patriotic Shows.

The Liberty Loan is half over the top. Just as the nation's offerings of Liberty dollars passed the \$1,000,000,000 mark, so the New York and Nassau and Queens districts set word that they had exceeded their quotas, which were \$100,000,000 and \$100,000,000 respectively. Their complete figures will not become official until today, since the reports for figures throughout the campaign are one day behind and the totals reported today are in reality those up to the close of business Saturday night.

The record of the Nassau district in this soon reaching its quota is considered particularly remarkable, considering that it started its canvass just a week ago yesterday. By official report last night the St. Louis district has subscribed only 88 per cent. of its quota and Minneapolis 89 per cent.

Official reports to the Treasury, covering business up to yesterday morning, give the total loan subscriptions at \$1,000,000,000, and the Liberty Loan is now half over the top. The Secretary of the Treasury sent a telegram to all Governors which read in part:

"The cooperation of the Governors of the various States of the Union is indispensable to the proper observance of Liberty Day and to the successful completion of the third Liberty Loan. May I not beg that you will by proclamation designate April 26 as Liberty Day within your State and to make the afternoon of that day a legal holiday if it is in your power to do so? If it cannot be made a legal holiday, will you not urge that stores and all public places be closed on the afternoon of that day and that the people in the cities, towns and country districts join in appropriate ceremonies?"

To promote Liberty Day Secretary Daniels abandoned plans for making Wednesday a special New Liberty Loan day. He sent a radio message to all ships, shore stations and naval camps all over the world, suggesting rallies and the gathering of subscriptions Friday.

Liberty Day in New York will see a great parade of men and women who will carry American flags and their household service flag. The parade will be from Washington Square to Fifty-ninth street on Fifth avenue, and it has been estimated that there will be more than 50,000 in line. The Liberty Loan Committee has started a search for the mother in the Federal reserve district who has the greatest number of sons in the service. She will be asked to lead it. City officials yesterday announced that city employees will march in the parade.

While the figures of yesterday indicate that the district lagged the day for Saturday's half day. The increase district to date is \$390,612,000. Mass smallest recorded on a single day since the drive has started. The Liberty Loan district to date is \$390,612,000. Mass meetings featured the campaign here, and since the Liberty bonds have arrived from Washington and the actual certificates are on sale for cash hundreds of them were sold.

To Make Friday a Holiday.

The Governors of all States were asked yesterday by Secretary McAdoo to declare next Friday a State legal holiday, as President Wilson has proclaimed it a national holiday to aid the Liberty Loan drive, by which it is hoped to boost sales of Liberty bonds well along toward the \$1,000,000,000 mark. The Secretary of the Treasury sent a telegram to all Governors which read in part:

"The cooperation of the Governors of the various States of the Union is indispensable to the proper observance of Liberty Day and to the successful completion of the third Liberty Loan. May I not beg that you will by proclamation designate April 26 as Liberty Day within your State and to make the afternoon of that day a legal holiday if it is in your power to do so? If it cannot be made a legal holiday, will you not urge that stores and all public places be closed on the afternoon of that day and that the people in the cities, towns and country districts join in appropriate ceremonies?"

Big Supply of Bonds Arrive.

The arrival in New York from the Bureau of Printing and Engraving in Washington of almost \$25,000,000 worth of Liberty bonds stirred sales here yesterday, and when the figures are tallied they probably will show that more bonds were disposed of yesterday than on any previous Monday during the campaign. There will be no shortage of bonds hereafter, as a fresh supply will be received daily by the Federal Reserve Bank.

All of the banks and practically every bond booth in New York had the actual certificates to offer subscribers. The bonds received totalled 209,834, valued at \$24,813,000. Of these 116,804 were

\$50,000 for Song and Helmet.

An Irish song and a German helmet each brought \$50,000 subscriptions to the Liberty Loan yesterday. Chauncey Olcott, who appeared to sell Liberty bonds at the Public Library, became the center of a demonstration in a celebration for "Mother Machree."

"Well, how many bonds will you buy if I sing it?" he inquired. The bidding started immediately and the song was finally knocked down at \$50,000 to Julian Ullman. Chauncey sang it with at least \$50,000 worth of his well known Irish feeling. The crowd liked it so well that he offered another old favorite, "My Wild Irish Rose." It brought a \$10,000 offer for bonds from Robert Mainzer.

The German helmet, a genuine relic from the western front, was put up at the Sub-Treasury yesterday noon. The auction attracted the attention of J. P. Morgan, who offered to buy a \$50,000 bond for it. Mr. Morgan then turned the helmet over to the Liberty Loan Committee and it will be auctioned several times during the drive.

Patriotic singing by a great chorus was one of the features of Liberty Land last night. Fifty hundred employees of James McCreery & Co. marched from the store to the army led by W. G. Timothy and R. F. Gamble and there joined other organizations in a celebration which made the night a gala one for the Liberty Loan.

Merton E. Lewis, Attorney-General of the State of New York, announced yesterday that he will deliver to-day to Benjamin Strong, chairman of the Liberty Loan Committee, a list of 80,000 subscribers to the German, Austrian and Hungarian loans. The opportunity will be given to these individuals to prove their Americanism by subscribing an equal amount to the third Liberty Loan.

Nassau and Queens Over the Top.

New York district subscriptions of \$1,000,000 reported yesterday brought the total for the entire drive up to \$1,000,000,000. At the same time in the last loan—the end of the thirteenth day—the total stood at \$947,138,000. Queens and Nassau counties yesterday passed the honor column, reaching their quota. The Queens county quota is \$1,384,400, and the subscriptions total \$1,432,650. Nassau county, with a quota of \$2,844,300, has subscribed for Liberty bonds to the amount of \$2,814,000.

Long Island is nearing the top, too, with 95 per cent. subscribed. Acosta, Nichols, in general charge of the Queens-Nassau campaign, built an efficient campaign machine, which has not lost a

minute of time since the first day of the loan. He has had the aid of Charles G. Mayer, the chairman in Queens, William H. Pierce as chairman in Nassau, and George M. Vall as the chairman in Suffolk.

There were evidences of a quickening of the pace all along the line yesterday and subscriptions this week will probably pass those of last week. The arrival of the bonds will aid greatly in speeding up the work.

The Liberty Loan Committee is yet far from satisfied with the showing in New York and in the district. To subscribe its bare quota of \$900,000,000 subscribed by to-day, she has subscribed \$228,229,000. The total for the district, placed at \$390,612,000, should be \$468,000,000 to-day to bring the total at the end of the drive to the quota. To reach the \$1,500,000,000 which officials of the committee hope to raise there must be \$92,448,000 subscribed daily for the balance of the campaign.
